The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review on the management accounts of the Group for the year ended 31 March 2021 and the information currently available to the Board, the Group is expected to record a significant increase of not less than 5 times in the profit attributable to owners of the Company for the year ended 31 March 2021 as compared with the profit attributable to owners of the Company for the year ended 31 March 2020.
